

EAST ORLEANS

232 TONSET ROAD

5 bed | 7 bath | 4,190 sqft | 1.25 acre

This fully-renovated landmark property has been transformed into an enchanting mix of classic Cape Cod charm and modern amenities.

From the minute you enter the circular driveway, this lovely house captivates with its crisp white shingles, copper gutters, and elegant plantings. Inside, brand-new, light-filled spaces welcome you.

The stunning chef's kitchen has smartly designed functionality - a cooking area with prep sink and gas stove, a cleaning zone with deep sink and two dishwashers, and a separate coffee bar.

The dining area has direct access to the deck and views of the pool and guest house. Distinctive spaces make this house perfect for entertaining.

The first floor primary bedroom suite features a fireplace.

The second floor has two additional bedrooms and baths, including this spa-like retreat with marble double-vanity, deep soaking tub, and rainfall shower.

The picturesque guest house is an alluring getaway, with an open living area, well-appointed kitchen, two beds/baths, and a deck for easy access to the sparkling gunite saltwater pool.

This delightful, resort-like compound stretches over an acre of land. Imagine the incredible times here with family and friends, from lazy days by the pool to fabulous celebrations.
